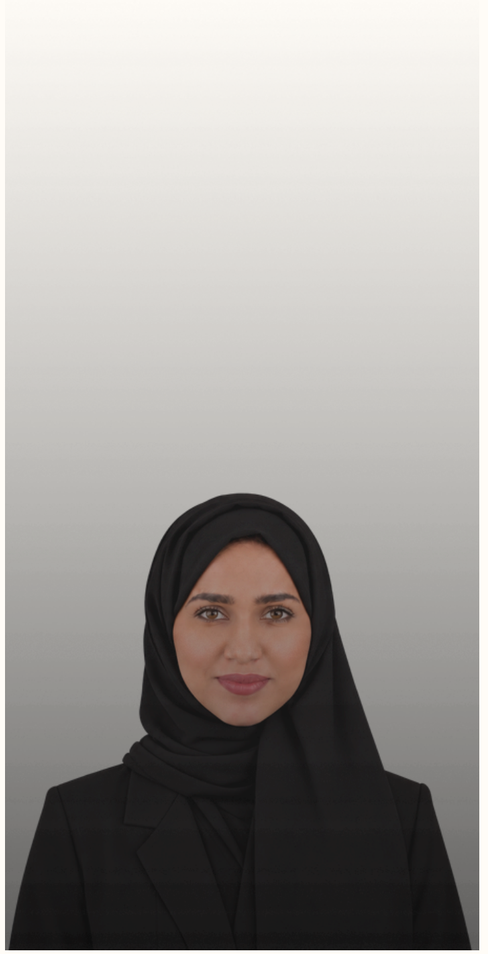
About Me

I’m Rahaf, a Senior Graphic Designer based in Riyadh, with a background in filmmaking and marketing.
I create brand identities, social media campaigns, presentations, and visual content. My work brings together thoughtful design, clear communication, and a cinematic eye for detail.



Education

Effat University, 2012 - 2017

I hold a Bachelor’s Degree in Visual And Digital production .(Filmmaking)
My studies developed my skills in visual storytelling, composition, and filmmaking, teaching me how to turn ideas into engaging visual stories. This background continues to influence my approach to graphic design, photography, and video editing, with a strong focus on detail, mood, and clear communication.

Personal Skills

Social Media Marketing

I plan and manage social media content that reflects each brand’s identity. My work includes content calendars, campaign ideas, and visuals that connect with the audience across different platforms.

Content Creator

I create content through photography, video editing, and visual storytelling. From developing ideas to producing the final piece, I focus on delivering clear messages with a creative touch.

Graphic Design

I’m a Senior Graphic Designer with 10+ years of experience in branding, social media design, and marketing. I love creating unique visuals that bring ideas to life.
