PROFESSIONAL SUMMARY

Creative Communication Expert with over 10 years of experience spanning brand strategy, creative direction, content development, and design. Proven track record leading in-house creative studios and delivering landmark projects for national institutions including STC, Diriyah Gate, SDAIA, SAR Rail, and King Khalid Foundation. Known for blending strategic thinking with distinctive visual artistry.

KEY ACHIEVEMENTS

- Founded and directed a 6-person Digital Studio at STC for 4 years, overseeing all corporate digital content and creative production for one of Saudi Arabia's largest telecom brands.
- Created permanent illustration artworks installed in Diriyah Museums as part of the official museum interior design, pieces that continue to represent Saudi cultural heritage for national and international visitors.
- Designed visual identity assets for SDAIA's (Saudi Data and AI Authority) official podcast, broadcast to a national audience through high-visibility leadership interviews.
- Led brand strategy for SAR Rail's (Saudi Railways) new identity project, contributing to the repositioning of a national infrastructure brand under Vision 2030.
- Contributed to the positioning strategy for King Salman Foundation as part of a cross-functional team, supporting the institution's national communication direction.
- Developed communication strategy for King Khalid Foundation, aligning messaging with the foundation's social development and community impact goals.

WORK EXPERIENCE

Independent Creative Director | A Creative Boutique *2023 – Present*

- Deliver tailored brand strategy and communication frameworks for corporate and creative clients.
- Lead end-to-end creative projects spanning branding, content development, visual identity, and illustration.
- Manage client relationships end-to-end, from understanding business requirements to presenting creative concepts directly to client-side leadership.
- Created social media communication strategy, and content streams aligned with the overall company communication strategy.

Innovation Director | Salient KSA *2023 – 2024*

- Led creative innovation initiatives aligned with client communication strategies.
- Developed cross-sector content solutions with measurable business impact.
- Assessed existing operational workflows and designed and implemented innovative solutions to optimize team performance and internal processes.
- Evaluated clients' market positioning to identify growth opportunities, leveraging existing strengths and uncovering new avenues for revenue, sales, and brand awareness.

Digital Studio Manager | STC *2019 – 2023*

- Founded and managed a 6-person in-house Digital Studio — built the team from the ground up.
- Directed creative production for high-visibility national campaigns across digital channels.
- Oversaw all studio output, including motion, photography direction, graphic design, and branded content.
- Collaborated with cross-functional teams to lead brainstorming sessions and develop and execute content ideas.
- Mentored team members to support their growth, setting individual development objectives.

Corporate Communication Supervisor | STC *2018 – 2019*

- Supervised internal and external communication projects and agency relationships.
- Ensured brand consistency across all corporate touchpoints.
- Planned content calendars, wrote creative briefs, and coordinated creative teams to ensure execution.
- Managed internal client relationships end-to-end, translating requests into actionable creative deliverables.

Corporate Communication Specialist | STC *2017 – 2018*

- Planned and executed internal and external content campaigns.
- Created and edited content for social media, internal communications, and corporate events.
- Edited and designed social media content using graphic design tools as needed.

Graphic Designer | Young & Rubicam *2015 – 2017*

- Designed branding, marketing materials, and promotional assets for high-profile regional clients.
- Collaborated with creative directors and copywriters to translate strategy into compelling visuals.
- Created design mockups, moodboards, and packaging materials.

Development Clerk | Saudi British Bank (SABB) *2011 – 2012*

- Maintained internal databases and prepared management reports.
- Wrote SQL queries to generate ad hoc reports for various business functions.
- Supported management decision-making through targeted data extraction and analysis.

Social Media Trainee | National Net Ventures *2010 – 2011*

- Drafted content and visual ideas for social media platforms and researched digital trends.
- Scheduled and published content across the company's social media accounts.
- Responded to client inquiries and escalated key insights to senior management.

EDUCATION

MSc in Creative Technology | Middlesex University, London *2013 – 2014*

BA in Computer Science | King Saud University, Riyadh *2006 – 2010*
