PROFESSIONAL SUMMARY

Graphic designer and illustrator with nearly eight years of design experience, including two years at a digital agency in Riyadh. I work across the full visual pipeline: brand identities from logo to guidelines, corporate collateral, illustration, motion graphics, and social media content. Holder of a diploma in Graphic Design & Motion Graphics and Adobe Certified Professional credentials, with a Bachelor's degree in Business Administration I apply to reading the commercial goal behind a brand before designing for it. Experience spans government and private sector clients.
