GRAPHIC DESIGNER

ABOUT ME

I am a passionate and detail oriented Graphic Designer with strong experience in creating visually compelling designs that elevate brand identity and engagement. I specialize in using Adobe Creative Suite to deliver creative, high-quality visuals across different platforms.
In addition to design, I also work as a Video Editor, bringing ideas to life through dynamic and engaging video content. I enjoy combining creativity with storytelling to produce content that captures attention and leaves a lasting impact.

I thrive on collaborating with clients and teams to deliver results that not only meet but exceed expectations, while maintaining strong visual consistency and creativity in every project.

EDUCATION

2013 - 2017

FACULTY OF SPECIFIC EDUCATION (MATHMEDIA DEPARTMENT)

Portsaid University

I obtained a Bachelor's degree in Educational Media with a good grade. The study included theoretical and practical application in the field of media in general and teaching it to students.

2020 - 2022

DIPLOMA IN PUBLIC RELATIONS AND ADVERTISING

Faculty of Commerce, Port Said University

I have a diploma in public relations and advertising and study the field of advertising more broadly in line with the requirements of the world now.

2024

MBA IN ARTIFICIAL INTELLIGENCE

Faculty of Commerce, Port Said University

I started studying artificial intelligence in business administration this year to keep up with the huge technological development that is happening in the world rapidly, so that I can be aware of everything new.

EXPERIENCE

2016 - 2022

GRAPHIC AND WEBSITE DESIGNER

Demo Group

I worked in the company's e-marketing department in designing product packaging, social media designs, and the company's website within the group, where the company's fields branched out into Demo Care Company for distributing medicines, Demo Sanding Company for manufacturing various sanding products, Demo Cool Company for oil products, and other local products for export outside Egypt.

2022 - 2024

GRAPHIC AND WEBSITE DESIGNER

Hamzawy Holding

I worked at Jamzawi Holding Company for Investment, Real Estate, Tourism and Contracting Development in the company's e-marketing department in designing social media sites for the company itself and for all projects owned by the company, most notably the Helnan Tourist Hotel and Resort in Port Fouad, a group of restaurants, residential complexes, a commercial and administrative mall, and other various projects. In addition to designing the company's website.

2016 - 2026

GRAPHIC DESIGNER

Freelance

I worked in the field of graphic design and websites as a freelancer in Egypt and many countries including the United Kingdom, the Kingdom of Saudi Arabia, the United Arab Emirates and Turkey. The fields varied between the medical field, real estate, marketing and cars such as Al-Majdouie Company, the agent of Peugeot and Citroen in Saudi Arabia, the field of education and others.
