PROFESSIONAL SUMMARY

Brand management and marketing professional with experience in Saudi Arabia's HORECA and food distribution sector. Currently responsible for developing PCB Création's presence in the Saudi market across pastry ingredients, food colouring, decorations, and personalized solutions. Experienced in business development, key account management, product presentations, supplier coordination, and commercial operations. Proven track record in organizing exhibitions and culinary workshops, managing client relationships, and supporting sales growth.

CORE COMPETENCIES

Brand Management | B2B Business Development | Key Account Management | Product Presentations | Brand Activation | Pricing & Quotations | Demand Forecasting | Supplier Coordination | HORECA Marketing | Event & Exhibition Management | CRM & Sales Follow-up

WORK EXPERIENCE

Brand Manager – PCB Création (2026-Present)

Saudi Sands Food Company, Riyadh

- Manage PCB Création's brand development in Saudi Arabia across functional ingredients, food colouring, pastry decorations, and personalized moulds and transfer sheets.
- Conducted approximately 40 client visits and product presentations within the first three months, introducing the portfolio and identifying new business opportunities.
- Develop tailored product plans, offering creative concepts, application guidance, and practical solutions aligned with each client's menu, production requirements, and brand identity.
- Build relationships with pastry chefs, chocolatiers, hotels, bakeries, and food manufacturers to support customer acquisition and account development.
- Prepare quotations and commercial proposals, communicating product quality, application benefits, and customization options.
- Coordinate product trials and sample distribution, following up on customer feedback and quotations to advance sales opportunities.
- Liaise directly with PCB Création on customized designs, artwork approvals, product availability, and customer order requirements.

Marketing & Commercial Operations Specialist (2022-2026)

Saudi Sands Food Company, Jeddah

- Managed brand activation strategies and HORECA marketing initiatives across Saudi Arabia to support commercial growth.
- Managed and developed key HORECAaccounts and distributor relationships across Saudi Arabia.
- Prepared commercial quotations, pricing proposals, and offers supporting the sales team.
- Reactivated inactive accounts, contributing to increased sales and client engagement.
- Managed demand forecasting and supply planning to ensure product availability.
- Coordinated supplier communication, shipment tracking, and import documentation.
- Worked closely with warehouse and logistics teams to manage inventory and deliveries.
- Processed and supervised orders for 40+ HORECAclients across Saudi Arabia.
- Prepared sales and operational reports for management decision-making.

CRM Officer & Sales Coordinator (2021-2022)
Marina Pioneers Company, Jeddah

- Supported sales operations through order processing, quotations, and client communication.
- Maintained CRM data and monitored sales activities, leads, and customer interactions.
- Coordinated inventory monitoring and logistics shipments for medical equipment.
- Managed sales documentation, contracts, and commercial proposals.

CRM Officer & Sales Assistant (2019-2021)
Citrus World of Shopping, Beirut, Lebanon — Supporting Gulf Region (Remote)

- Managed CRM records and ensured data accuracy for sales activities.
- Handled customer inquiries and supported sales team operations.
- Tracked leads and scheduled follow-ups to support sales conversion

Senior Retail Sales Assistant
Timberland, HST Co., Beirut (2016-2019)

- Delivered excellent customer service and achieved sales targets.
- Maintained strong product knowledge and assisted customers in purchasing decisions.
- Supported in-store marketing initiatives and sales reporting.
