## PROFESSIONAL EXPERIENCE

**Senior Accountant** | **Al-Omran Industries & Trading Co.** 2020 – Present | Riyadh, Saudi Arabia

- Lead the overall accounting and financial reporting functions for major manufacturing and trading operations, ensuring absolute adherence to corporate accounting standards.
- Oversee the monthly, quarterly, and annual financial closing processes, validating all journal entries and General Ledger reconciliations prior to executive review.
- Direct Accounts Payable (AP) and Accounts Receivable (AR) management, establishing robust approval workflows, credit limits, and strategic vendor/customer reconciliations.
- Manage corporate liquidity by executing advanced bank reconciliations, monitoring daily cash flow, and projecting short-term capital requirements.
- Supervise inventory cost accounting and control operations, overseeing physical count audits and conducting rigorous variance analyses to safeguard company assets.
- Prepare comprehensive financial analysis statements, operational budget tracking reports, and financial insights for board-level decision-making.

**Key Achievements:**

- Streamlined inventory reconciliation procedures across manufacturing facilities, reducing valuation discrepancies and improving audit outcomes.
- Enhanced month-end closing efficiency by 25% through standardized ERP documentation protocols and automated financial templates.

**General Accountant** | **United Medical Industries Co. Ltd.** 2015 – 2019 | Riyadh, Saudi Arabia

- Managed full-cycle AP and AR workflows, ensuring timely recording of transactions, sales/purchase invoice verifications, and streamlined payment disbursements.
- Led proactive collection follow-ups with major commercial accounts, successfully lowering Days Sales Outstanding (DSO).
- Performed routine bank reconciliations and maintained meticulous ledger entries in preparation for external financial audits.
- Collaborated with senior management during year-end financial closings and facilitated annual physical stocktaking processes.
- Prepared detailed financial schedules, cost breakdown summaries, and reconciliation reports for management review.
